

# MISS BOULWARE TO WED BROCKENBROUGH LAMB

Ceremony Will Take Place This Evening at 6 o'clock at Home of Bride's Mother.

HALL-DICKINSON WEDDING

Attractive Dance for Younger Society Set Given at Hermitage Club by Mrs. John Burrell in Honor of Her Niece.

Smart society is deeply interested in the marriage of Miss Janie Preston Boulware, daughter of Mrs. Aubin Lee Boulware, to Brockenbrough Lamb, son of Mrs. James Christian Lamb, which will be celebrated this evening at 6 o'clock at the home of the bride's mother, 1 East Franklin Street, with only the immediate families present. A smart reception will follow the ceremony, and Mr. Lamb and his bride will leave later in the evening for a wedding journey. Both bride and groom are widely and prominently related, and their marriage this evening, although a quiet home affair, is of much social importance.

Another home wedding of much interest here is that of Mrs. Alice Thinsley, daughter of Mrs. J. I. Thinsley, to Dr. George Clifton Hall, of Boston and New York, which was quietly celebrated yesterday morning at 11 o'clock in the home of the bride, 216 East Grace Street. Rev. Walter Russell Bowie, D. D., rector of St. Paul's Episcopal Church, officiated, and only the immediate families and a few intimate friends were present. The drawing-rooms were banked in palms and Easter lilies, and pink roses and snapdragons were used in the dining-room, where a wedding breakfast was served. The bride was unattended, and Dr. Hall had as his best man Bliss Carmin, the well-known Canadian poet. Dr. and Mrs. Hall are to make an automobile tour through the North, and after May 1 will be at home in Westhampton, where they have taken Mr. Burrell's residence. Dr. Hall is medical director of the Life Insurance Company of Virginia, and both he and his bride are widely known, both here and in the North.

**Misses Isabelle and Elizabeth Scott** will entertain at a dance this evening at 8 o'clock, given in the home of their parents, Mr. and Mrs. W. C. Scott, 505 West Franklin Street. About fifty members of the younger society set have been invited.

The regular monthly meeting of the Woman's Club of Ginter Park will be held in the residence of Mrs. Norman C. Norman, 1015 West Franklin Street, on Friday evening, April 9, at 8 o'clock. The program is as follows: A splendid program has been arranged, which will be rendered by some of the leading artists of Richmond. Mrs. George R. Bethell, soprano, will sing, accompanied by Shepherd Webb, and Mrs. Frank W. Bethell will give a number of violin selections.

This afternoon at the Woman's Club Miss Annie Louise Reinhardt and Miss Myrtle Redford will give an informal musicale. Mrs. J. Arthur Leary is chairman of the affair, and the program will be rendered at 5 o'clock.

One of the most enjoyable of the many attractions for Easter week will be the Wilmet Goodwin recital at the Jefferson to-night and Thursday at 8:15. Mr. Goodwin possesses a rich baritone, and was one of the leading members of the American Opera Company for several years. His assisting artists will be Leo Cronan, pianist, and Maurice Warner, violinist. Mr. Warner is a talented and popular pianist, having delighted audiences, not only in this country, but in Europe, where he was a pupil of Professor Auer in St. Petersburg for three years. These recitals are given under the auspices of St. John's Circle of King's Daughters.

**Mrs. Graham Here.** Mrs. Samuel C. Graham arrived in Richmond yesterday morning, after spending Easter in Winston-Salem, N. C., and will be with Mrs. Reginald Gilman, of 11 East Franklin Street, until April 17, when she leaves to join Judge Graham in Tallahassee, Florida.

**Invitations Out.** Invitations were received in Richmond yesterday for the marriage of T. H. Brown, Jr., and Miss Eleanor Irving, of East Orange, N. J. The ceremony will take place in East Orange on April 25.

Miss Kitty Bieble, who has been spending the winter here, and Miss Elizabeth Blair, a student at the Bristol School near Washington. The invitations included about 100 members of the younger society set, and the dance was a beautiful affair in every detail. Supper was served at 11 o'clock, and an orchestra played for the dancing.

Mrs. Burrell received with the guests of honor, and wore a gown of white satin, with a bouquet of violets. Miss Kitty Bieble was crowned in white satin, made with the high waist line, and her flowers were orchids. Miss Mary Withers Bieble wore a white lace frock with a corsage bouquet of violets, and Miss Blair's gown was of Nile green charmeuse draped in chiffon. Her bouquet was of lilies of the valley.

Assisting in the receiving line were Mrs. Charles U. Williams, Jr., of "Strawberry Hill"; Mrs. Walter Gordon, Mrs. Otto Theodore Hess and Mrs. Archer Jones.

**Dance for Graduating Class.** On Friday evening the Alumnae Association of the Johnston-Wills Hospital will entertain the graduating class of that institution at a dance. The dance will be given in the ballroom of the Jefferson Hotel at 9 o'clock.

**Easter Hop.** Monday evening witnessed one of the gayest dances of the season, and the Easter Hop at the Hermitage was more than a success, there being a large attendance. Refreshments were served at midnight, and many favors, in the shape of bombs, were exploded, throwing miniature animals high in the air.

Mrs. Archer Jones and Mrs. William Gordon, were the chaperones. Decorations were in Southern smilax, Easter lilies and spring flowers in profusion. A stringed orchestra played for the occasion.

Those attending were Robert Neal, Miss Elizabeth Bragg, of Petersburg; Robinson Capers, Miss Grace Jenkins; Marshall Munce, Miss Jane Heck; Cary Winfield, Miss Elizabeth Kelly; John Anson, Miss Mary Tomlin Anderson; Preston Valentine, with Miss Kitty Valentine and Margaret Herndon; Berkeley Cooke, Miss Carol Minor; Wymond Cabell, Miss Emily Ferguson; Edgar LaFollette, Miss Antonio T. ## RECONSTRUCTION WORSE THAN HORRORS OF WAR

Daughters of Confederacy Unanimously Oppose Any Plan of "Jubilee" at Appomattox.

SHOULD BE HELD SACRED DAY

Surrender of Lee's Army Did Not Bring Peace to South, but Reign of Oppression, Injustice and Pillage.

A vigorous protest against the plan of holding a "Jubilee" at Appomattox on the fiftieth anniversary of the surrender was unanimously adopted at a joint meeting of the local chapters of the Daughters of the Confederacy, held at Lee Camp Hall yesterday. The paper had been prepared for a meeting of Richmond Chapter, called for Saturday afternoon, but the heavy snowstorm that day prevented the attendance of a quorum of the membership, and the meeting was postponed.

PROTEST ADOPTED BY DAUGHTERS OF CONFEDERACY

"Newspapers of recent date have printed an appeal issued by the commanders of the Union and Confederate Camps of Manassas, the president of the Bull Run Chapter, United Daughters of the Confederacy, and the president of the Manassas Business League. This appeal calls upon the citizens of Appomattox to arrange a jubilee celebration on the battlefield of Appomattox April 9, to commemorate the fifty years of peace between the North and the South. Later comes a statement from George C. Round, of the Manassas Post of Union Veterans, giving his idea that high noon of Appomattox Day began a new era, and that the day should be celebrated, not the surrender, but the birth of peace, which originated the great-hearted Grant and the immortal Lee clasped hands at the McLean house."

"In response to these statements, the Daughters of the Confederacy of Richmond, having read the appeal, with all the reasons urged for the immediate consideration of carrying out the suggestions, would here and now record their most hearty disapproval, and would most earnestly request that the 5th of April be held as a sacred day in the hearts of our people, and not used as a day of jubilee and rejoicing. This day, the 5th of April, 1865, brought a cessation of hostilities and the surrender of the Confederate armies, but it brought not peace to the people of the South. Years of reconstruction followed, with horrors greater than those of the war. The outcome was accepted, and our men returned under their lands to take up the difficult task of rebuilding their homes and times. History will record their noble deeds, and to-day we see a land of peace and prosperity. Let the 5th of April be held as a sacred memorial of our people's Lee and his army beyond compare.

"Lord, God of hosts, be with us yet, lest we forget, lest we forget!"

MISS HOUSTON TRACES HISTORY OF ARCHITECTURE

Development From Day When Adam, Driven From Paradise, Began to Construct Shelter for Him

"Architecture as a useful art began when Adam was driven from paradise and had to construct a shelter to keep out of the weather. From this point beginning Miss Emily Houston traces the history of architecture up to the present day, in a very interesting address before the Art Club of Richmond yesterday afternoon. Miss Houston was introduced by Miss Bull, who herself made a very charming speech before the Woman's Club Monday.

With the assistance of numerous lantern slides, many of them in color, and a series of descriptive Egyptian, Greek and Christian architecture, with special emphasis on the Gothic. Explaining that buildings, although since made beautiful, were originally built for utility and protection of man and the elements, Miss Houston went on to show how the architecture of each people has been influenced by

their building materials, climate, racial characteristics and religious convictions. She brought out the Egyptian truth to nature, the Greek love of beauty, and the Roman genius for utility.

A. P. V. A. MEETING

Letter of John Rolfe, Asking Hand of Pocahontas in Marriage, Presented.

The central committee of the Association for the Preservation of Virginia Antiquities met at the John Marshall House yesterday morning at 11 o'clock. In the absence of the president, Mrs. J. Taylor Ellyson, the first vice-president, Mrs. E. V. Valentine, presided.

There was very little of special interest besides the ordinary business. A number of new members were reported.

The corresponding secretary had received a very attractive colored photograph of the old manor in Philadelphia, which will be framed and hung in the John Marshall House.

The chairman of the John Marshall House committee reported that she was having framed the copy of the letter of John Rolfe to Sir Thomas Dale, asking the hand of Pocahontas in marriage. There were also displayed some fine copies of the silhouette of John Marshall, which has just been made and will be put on sale in the John Marshall House.

The committee for the annual tea, which will take place on the afternoon of April 15, consists of Mrs. John H. Southall, chairman; Mesdames E. V. Valentine, J. St. George Bryan, E. E. Moffitt and Miss Mattie Harris.

The committee for the Jamestown excursion, which takes place on May 15, consists of Mrs. E. D. Hatcher, chairman; Mrs. A. P. Wilmer, and Messrs. W. G. Stannard, R. A. Lancaster, Jr., and Morgan P. Robinson.

It was decided to make the May meeting a general meeting.

## THE KAUFMANN STORE

A Millinery Announcement to the

Woman Critical

WE are now conducting an exhibit which reflects the sum total of the BIG FACTS brought out at the great Social Resorts of the nation by the Fashion show for Easter.

This is Easter's Aftermath.

An aftermath which will be of immediate interest to every woman who selects her apparel—particularly her headgear—with critical regard to the niceties of fashion as applied to her own personality.

As the season advances the larger hats will unquestionably be more welcome and a keener rival of the small hats, which just now are holding their own against all comers.

In spite of the lavish display of flowers and feathers, the "ribbon bow" is supreme in popularity. Highly colored hats, in all shades of pink, from flesh tint to deep old rose, were liberally displayed in the Easter show. Varied brilliant colors were seen, particularly blues, blue gendarme, old blue, King blue, Albert blue, not to mention the emeralds, purples and reds.

From all of which it will be seen that the indications are for a brilliant as well as beautiful season, in the intricate and critical matter of hats.

Kill Catarrh Germs and Stop Catarrh

Breathe This Antiseptic Dry Air In Your Own Home and Quickly End Catarrh, Head Colds and Snuffles.

One of the surest signs of catarrh of the nose and throat is catching cold easily. When you have catarrh the mucous membranes are inflamed, swollen and sensitive and a slight draft of cold air causes a change of temperature at once sets you sneezing, snuffling and wiping your nose. Then again when these delicate tissues are in an inflamed state the catarrhal germs sneeze out and cough out, and you suffer from sore throat and immediately start eating their way into your system.

Then your catarrh gets worse and you wake up in the morning with tongue thick, mouth sticky and nose all stopped up.

Catarrh can be overcome and the germs of catarrh destroyed if you will go to Truett Drug Co., or in fact, any other good drug store, and ask for a large complete Hyomel (pronounced high-ome) treatment, consisting of a bottle of the oil of Hyomel and a small hand rubber inhaling device.

You put a few drops of the Hyomel oil into this inhaler and then put it between your lips and breathe naturally this pleasant antiseptic healing air of Hyomel into your nose, head, throat and lungs. In three minutes your air passages are cleaned out, you breathe easily and the discharge stops, and if you will do this every day for a few weeks you will drive every catarrhal germ and every symptom of catarrh entirely from your system.

Hyomel, when used with this inhaling device is always sold with the positive guarantee that it must give you successful results or you can have your money back.
